

## Application of Sunscreen Permission Slip

At Starlight Montessori we strive to keep your children safe. You are welcome to send hats for your child to wear during outdoor play. We are not allowed by California state law to apply sunscreen without your permission.

With your permission, we will apply sunscreen before going outdoors. Our policy for sunscreen application is as follows:

- Families apply sunscreen prior to them arriving to school.
- Families provide sunscreen in the original container, labeled with the child's full name.
- Sunscreen provided must be within the expiration date and appropriate for the age of the child.
