INFO

We are a **nut-free school**. Please pack your child's lunches and snacks in reusable containers with healthy options and plenty of food in case hunger strikes several times a day!

Tuition is due by the first of each month. Invoices will be emailed to each family on the 20th of each month for tuition for the following month. Once paid electronically, you will receive an electronic receipt. Please keep in mind it takes several days for funds to reflect in the School account. We do not accept any other form of tuition payment.

We appreciate your diligence and attention to this. There is a \$10 per day late fee for tuition paid after the 1st of each month.

All non-tuition related fees (registration, materials, late pick-up, etc...) can be paid using Venmo or by check. The School's Venmo info is as follows:
